“JIFFY” HVAC TOOLS

3" Seamer – Straight- #13994

Steel jaw marked in 1/4" (6mm) increments for precise bending
3-1/4" (83mm) jaw width and 1-1/4" (32mm) maximum seam depth

Comfortable Non-Slip Grip Design
Superior Bending and Flattening

- **Compound Action Jaw** Designed for easier metal bending and flattening
- **Center Fastener** High tensile strength provided for life longevity.
- **Double Overwind Spring** High torsional strength spring designed for frequent use.
- **Comfortable Grips** Solid and comfortable handle with non-slip design provides additional handling comfort whilst limiting risks of injury.
- **Hang Hole** Hang-up hole provided for convenient storage system.
- **Safety Auto Latch** Quick and simple spring-free automatic latch design (one hand release) offers additional user safety.

3" Seamer – Offset - #14000

Steel jaw marked in 1/4" (6mm) increments for precise bending
3-1/4" (83mm) jaw width and 1-1/4" (32mm) maximum seam depth

Comfortable Non-Slip Grip Design
Superior Bending and Flattening

- **Compound Action Jaw** Designed for easier metal bending and flattening
- **Center Fastener** High tensile strength provided for life longevity.
- **Double Overwind Spring** High torsional strength spring designed for frequent use.
- **Comfortable Grips** Solid and comfortable handle with non-slip design provides additional handling comfort whilst limiting risks of injury.
- **Hang Hole** Hang-up hole provided for convenient storage system.
- **Safety Auto Latch** Quick and simple spring-free automatic latch design (one hand release) offers additional user safety.

5 - Blade Crimper – Straight - #13951

Metal gauge: 22 Mild / 24 Galvanized / 26 SS

Throat depth: 1-1/4" (32 mm)

Comfortable Non-Slip Grip Design

- **Compound Action Jaw**
- **Center Fastener** High tensile strength provided for life longevity.
- **Double Overwind Spring** High torsional strength spring designed for frequent use.
- **Comfortable Grips** Solid and comfortable handle with non-slip design provides additional handling comfort whilst limiting risks of injury.
- **Hang Hole** Hang-up hole provided for convenient storage system.
- **Safety Auto Latch** Quick and simple spring-free automatic latch design (one hand release) offers additional user safety.

Long Style, 5 - Blade Crimper – Straight - #14038

Metal gauge: 22 Mild / 24 Galvanized / 26 SS

Throat depth: 1-5/8" (41 mm)

Comfortable Non-Slip Grip Design
Larger Throat Depth

- **Compound Action Jaw**
- **Center Fastener** High tensile strength provided for life longevity.
- **Double Overwind Spring** High torsional strength spring designed for frequent use.
- **Comfortable Grips** Solid and comfortable handle with non-slip design provides additional handling comfort whilst limiting risks of injury.
- **Hang Hole** Hang-up hole provided for convenient storage system.
- **Safety Auto Latch** Quick and simple spring-free automatic latch design (one hand release) offers additional user safety.

5 - Blade Crimper – Offset - #13974

Metal gauge: 22 Mild / 24 Galvanized / 26 SS

Throat depth: 1-1/4" (32 mm)

Comfortable Non-Slip Grip Design
Larger Throat Depth

- **Compound Action Jaw**
- **Center Fastener** High tensile strength provided for life longevity.
- **Double Overwind Spring** High torsional strength spring designed for frequent use.
- **Comfortable Grips** Solid and comfortable handle with non-slip design provides additional handling comfort whilst limiting risks of injury.
- **Hang Hole** Hang-up hole provided for convenient storage system.
- **Safety Auto Latch** Quick and simple spring-free automatic latch design (one hand release) offers additional user safety.
